Editor comment: This is the official participant list direct from Bilderberg. We have to remember that many participants request that their names not be added, [as we covered in 2008](#) when Hillary Clinton and Barack Obama attended the Bilderberg meeting in Chantilly Virginia under a cloak of secrecy, so there are likely to be more attendees who were not included on the list.

The fact that Bilderberg has gone from attempting to hide the very existence of their meetings to now being forced to issue an official participant list shows how far we have come in bringing their activities to light.
